From Rockford, IL. *Take Rt. 20 West to Lena IL. Turn North (right) onto W Galena Rd. which turns into E. Lena St. as you pass through the town. Then at the Casey's turn north (right) on IL. 73. Finally, Travel about 3.8miles out of town and the driveway will be on your right. Follow the long twisting driveway through the woods to the open field. If you pass W McConnel Rd., you went too far. Your GPS might be off by a few 100 yards. The GPS might tell you to turn left at the drive. Just look for the Trials signs and turn Right. We'll see you there!
